From Just One Of The Campaigns We Launched
With ADP Lightspeed We Measured:

A 25+% response rate

With An 18X revenue return
on investment (RROI)

So as you can see, even with this campaign they were profiting **\$1,800 for every \$100 spent in advertising**, and the response rate on the direct mailers in this campaign were through the roof! And that's just a small example, because the truth is that we have had a good handful of **clients which have received 80X returns and higher** using our proven game plan (and we share those stories with you in the free report, along with examples of their exact campaigns!). We are about to prove to you that you *can* create a campaign with such high returns on investment and response rates!

Now Of Course, We Don't Guarantee These Types Of Results To Everyone...

But the surprising thing is this: Over our many years in business, **we have NEVER had 1 client who did not see positive returns on investment after following our proven game plan for direct mail!** And we have received many letters and testimonials from excited clients about the success of these campaigns:

*"You guys made me look like a rock star with my peers and sales team in the field. **The results were over double our expectations** and we were engaged in deals just weeks after the piece landed. Thank You!" - Greg Hartle-- Symantec.com*

*"We've been delighted! The 8 Track Mailer helped open up significant opportunities with almost **a dozen large companies (mostly Fortune 100 firms)**. We've closed two so far." - Chris Bjorling-- CEO*

*"We are **scheduling lunch meetings with such ease**, and we have already closed our first deal! I can't believe the type of response we are getting, thanks guys!" - Daniel Pereira-- KillerConversions.com*

So this leaves us with just one question: How Do We Do It? And as promised, we want to share our step-by-step blueprint with you today absolutely free...
